

Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on pages 2 and 3.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.

- Make sure you have enough space to layout the parts before starting.
- Do not stand or put weight on the product during assembly, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.

- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

• We do not recommend the use of power drill/drivers for **inserting screws**, as this could damage the unit. Only use hand screwdrivers.

- Dispose of all packaging carefully and responsibly.

Components - Fittings

Please check you have all the fittings listed below.

Note: The quantities below are the correct amount to complete the assembly. In some cases more fittings may be supplied than are required.

Assembly Instructions

Step 1

Fitting the cover

Insert the cover [7] in to the back-bar [8]. Use the knob [A] to fix the back-bar in to backrest [1].

Step 2

Fitting the base

a: Push all the five castors [6] into the underside of the base [5].

Insert the gas lift [3] into the base [5]. Put the plastic telescopic cover [4] onto the gaslift [3].

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.

- Do not stand on the chair.
- Do not use this chair as step ladder.

- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.

- Regularly check and ensure that all bolts and fittings are tightened properly.
